Subject: LPC UC - Antisemitism in the convoy

Hi folks,

A heads-up that Housefather would like to seek unanimous consent on the below motion after Question Period today in light of Nazi symbols in the convoy. Please let me know if you have any questions. Thanks!

That the House deplores the use of Nazi antisemitic symbols, including the swastika, by any Canadian and in any demonstrations, and extends its support to Canada's Jewish community that has been deeply disturbed by the use of these symbols.
